Admit One College Advising

Professional College Advising For Bay Area Students!

Our advising services cover every step of the College Application Process. Working one-on-one with students, and tailoring each session to meet their individual needs, we help students manage the workload and increase their opportunities for success. We offer a **package of services** described below and an **hourly-rate** option.

Services & Fees:

Complete College Advising Package: This comprehensive service covers all aspects of college planning, including course selection, career and interest exploration, college list development, application help, essays, and more. Approximately six meetings are included in this service. The Admit One advisor will determine the number and length of meetings, based on student needs. All follow-up emails and phone calls are included in this package. Other opportunities included with this package:

- Essay Writing Workshop during the summer before senior year.
- Application Clinic in the fall of senior year.

Hourly-Rate Option: For students who want single-session help. This option does not include follow-up emails or phone calls. Hourly rate students can participate in the workshops for a small fee.

(Prices available upon request.)
